

Appl. No. 09/656,805  
Amdt. Dated March 8, 2006  
Reply to Office action of September 13, 2005

**REMARKS**

Applicant would like to thank the Examiner for the careful consideration given the present application and the courtesies extending during the telephone interview of March 8, 2006. Favorable reconsideration of the application is respectfully requested in view of the comments and amendments made herein.

The specification was objected to for containing informalities and as failing to provide proper antecedent basis for the claimed subject matter. The specification has been amended herein to correct all occurrences of "the said" throughout the specification, as requested by the Examiner. Other minor corrections were also made. Accordingly, withdrawal of this objection is requested.

Claims 53-69 were rejected under 35 U.S.C. 112, first and second paragraphs, as failing to comply with the enablement requirement and as being indefinite, respectively. The claims have been amended herein to delete references to the first, second, and third locations. Accordingly, it is believed that this rejection is now moot. Withdrawal of this rejection is respectfully requested.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 16-0820, our Order No. 32955.

Respectfully submitted,
